## ADDENDUM 2

To: All Interested Proposers

From: Claudia Sepulveda, Bid Clerk/Buyer

Date: March 3, 2006

Subject: Bid #06-009 PBX Upgrade and Voice Mail Migration for the Juvenile Probation Department

---

The Purchasing Department received questions relating to the above referenced proposal. The Communication Center has responded to the following questions:

1. I would like to know if the agency ever had a contract with any vendor for these services before. If so, who was that contract awarded to? for how long (contract duration) and what was the awarded amount?

**No contract for services, they have a time and material agreement for services**

2. Also, may I ask what is the contract duration and the estimated value of the resulting contract?

**N/A**

3. In section 1.1.3, is vendor to provision required digital and analog sets, if so what type/model of sets are required?

**No sets required**

4. Section 1.1.3, how many total mailboxes are needed?

**250 voice mail boxes**

5. Can you provide an Order Pro print out of the OPI File or a Bayface Layout of the option 11C as well as SLT, TID and ISS report.

**Please refer to Addendum 1**

6. Page 3 versus Page 29- do we need to file the CIQ now and submit the reference number with the bid or submit within the 7 business days after submitting the bid?

**By law the vendor has until the seventh day after the bid submittal to file the CIQ form, however the submittal of the reference number with the bid expedites the bid process.**
