### ADDENDUM 1

To: All Interested Proposers

From: Claudia Sepulveda, Bid Clerk/Buyer

Date: July 26, 2006

Subject: Bid #06-054 Hardware Maintenance for the IT Department

---

The Purchasing Department received questions relating to the above referenced proposal. The Information Technology Department has responded to the following request:

Based on the Freedom of Information Act, please fax me information on the current incumbent and last awarded amount for this equipment.

We would like to request last years contract for this bid for viewing.

**Usually the original purchase will have a warranty and extended maintenance included in the bid specs for hardware purchases. The bid, as per specifications is the agreement. No contract is written.**

**The Dell Servers and Racks are going off of warranty and/or maintenance, and because of the County's "over \$25,000 ruling", we have to go out for bid.**
