ADDENDUM 1

To: All Interested Proposers

From: Claudia Sepulveda, Bid Clerk/Buyer

Date: July 28, 2006

Subject: Bid #06-055 Citrix Presentation Server Software for the IT Department

The opening date has been extended to <u>Friday, August 4, 2006 at 2:00 p.m</u>. However, the deadline for questions has not been extended.

The Purchasing Department received questions relating to the above referenced proposal. The Information Technology Department has responded to the following questions:

1. What are your primary objectives in installing this solution?

   Objective is to provide a more secure VPN connection and to speed application response on slow link sites.

2. Please supply a list of applications to be, implemented and their version number.

   RMS I-Leads, MS Office 2003, GIS Application, JIMS

3. Please describe number and type of workstations/OSes, primers, and scanners or other devices.

   25 Workstations running WinXP

4. What server hardware are you using? #of CPUs, RAM, disk setup?

   Dell 2850, 2 CPUs Xeon, 4 Gig Mem, 290 Gig

5. Are you planning to implement the Advanced Access Control (AAC) portion of the Access Gateway? If you are, be aware that it requires another server.

    No

6. Do you plan to implement endpoint analysis through the Access Gateway AAC feature?

    Yes

7. Do you wish to use Citrix Web interface or AAC Portal Pages for internet connection from outside?

    Yes

8. Do you intend to implement Password Manager? If so, how many apps with separate Passwords?

    No, not in the initial phase

9. Where will the data reside? Same room as Citrix Server?

    SAN, and it will reside on the same data center as Citrix.

10. Any remote locations? Any Thin Clients?

    Medical Examiners. Utilizes Dell Workstation, not thin clients, connected via T1
