From: Claudia Sepulveda, Bid Clerk/Buyer

Subject: Bid# 06-064, Parking Lot Lighting for the Juvenile Probation Department

The Purchasing Department received questions relating to the above referenced proposal. The Juvenile Probation Department has responded to the following questions:

1. Is there a pre-bid meeting on the jobsite to see the location of the existing poles and fixtures, also to find out how much saw cut and trenching needs to be done?

There will not be a pre-bid meeting on the jobsite. However, vendors are encouraged to visit the site. Since the deadline for questions has passed, questions will not be answered at the site.

2. Do the light fixtures have to match those existing or can we submit on something equal to?

The light fixtures have to be equal to the existing.

3. Do you have any specifications or drawings or do we base our price on what we see at the jobsite?

The specifications are given in the bid package and there are no drawings available.
