Subject: Bid# 06-082, Detoxification and Substance Abuse Treatment for the
WTCSCD

The Purchasing Department received question relating to the above referenced proposal. The WTCSCD has responded to the following question:

Is the West Texas Community Supervision and Corrections Department seeking one provider for the provision of all services in this RFP? In other words, will a vendor who can provide all services be selected over vendors that can provide some, but not all of the services requested?

WTCSCD will consider all configurations of services as per provided in the RFP advertisement, including the selection of multiple providers.
