Subject: Bid# 06-102, Automotive Services for the County of El Paso

The Purchasing Department has received the following questions relating to the above referenced proposal:

1. Due to your size of fleet and the large variety of vehicles involved, it is impossible to give an intelligent estimate as per list given on pages 4 & 5. Even with a list of your vehicles, it would take hours and possibly over two hundred sheets of estimates just to come close due to different failures and parts/labor involved on any one vehicle. In fairness to both of us and taxpayers, can I submit my bid with starting prices where applicable, and fixed prices on remaining?

Yes, please submit starting prices where applicable and fixed prices on the remaining services.
