The Purchasing Department received questions relating to the above referenced Bid.

I'm requesting a set of plans for this project.

We do not have a set of plans for this project. This project is fairly simple and consists primarily of constructing walls to create the offices and dining space, as stipulated in the drawing, framing and installing the doors provided by the County, and upgrading the electrical panel to accommodate the increased usage. The total remodeled space is approximately 2,016 square feet. The office area will encompass approximately 1,080 square feet, with eight individual offices at 8'x12' each. The jury dining space will encompass approximately 936 square feet of open space. Bids may be submitted based on these approximate measurements, and the County will accommodate the vendor with additional material if a discrepancy is found.

A walk through has been scheduled for Thursday, June 21, 2007 at 10:00 a.m., please check in with the Purchasing Department located on the 5th floor room 500, at the County Courthouse.
