Subject: Bid # 07-177, Crushed Aggregate Base Course for Road & Bridge Department

- **The Bid Opening has been extended to Thursday, January 17, 2008 at 2:00 p.m.**

The Purchasing Department received questions relating to the above referenced proposal; the response to the following questions:

1. There is a typo regarding the deadline for questions on the first page. January 2 is Wednesday, not Tuesday. And the year referred to is 2007, not 2008. Posted amendment refers to Lab Services Bid & deadline at midnight on January 2, 2008.

CORRECTION:

Bid # 07-177, Crushed Aggregate Base Course for Road & Bridge Department

Deadline for questions was Wednesday, January 2, 2008 at 12:00 p.m.

2. Page 4 requires material to be picked up at an Eastside and a Westside location. Can the County Purchasing Department provide an amended bid that will allow a unit price for pick up at each location to be extended and totaled up to a lump sum bid?

No, the price should be the same for each location.

3. Can estimated tonnages be provided for each pickup location (East & West)?

On the West it can be between 5,000 to 10,000 tons.
