Subject: Bid # 08-075, Twenty (20) Video Systems for Surveillance Equipment - Sheriff's Department

The Purchasing Department received questions relating to the above referenced proposal; the response to the following question:

1. Does your request for twenty (20) Axis 214PTZ network cameras with audio capacity require installation and/or maintenance and support?
No
2. Is the requested equipment a replacement service?
No
3. Does the requested equipment require integration services to an existing camera surveillance system? If so, are you requesting quotes for installation and/or replacement services?
No
4. Is this a hardware only purchase quote request?
Yes

5. Regarding the page called "Technical Page". The specifications called for on this page appear to be for cellular/PCS Modem. Are these to be used with the Axis 214 cameras to provide remote viewing and do you need 20 as well, or is this page part of some other project?

Yes
