Subject: RFP # 09-018, RFP - 120 HT750 16 Channel Hand Held Radios for the Sheriff's Department

The Purchasing Department received questions relating to the above referenced proposal; the response to the following question:

1. Can an equal be bid or is this for Motorola Product only?
yes, equivalent or better.
2. I jus want to clarify that you want a total of 2, not 1 battery for each of the 120 HT750 radios you are requesting.

We need the one battery that comes with the radio and one extra battery for each radio, which makes for 2 batteries for each radio
