**The Purchasing Department received a question relating to the above referenced proposal; the response to the following question:**

1. On items No. 59, 60, & 61, trash can liners, can you please tell us the delivery schedule of these bags?

All Items will be requested/ordered as needed.

2. Are the liners going to be a one-time delivery to one location? If not can you tell us based on past experience, approximately how many cases are ordered, how often, and to how many locations?

No there are different locations within the Sheriff's Office that order Trash Liners. At least three major areas. The cases needed depend upon the usage. It will not be a one time delivery. There can be an order as large as 20 cases at one time. There is no specific amount. Remember we have two jails with a total of over 2,000 Inmates.
