ADDENDUM 2

To: All Interested Proposers

From: Linda Mena, Inventory Bid Technician

Date: July 20, 2009

Subject: Bid # 09-065, Prisoner Transportation for the Sheriff's Department

The Purchasing Department received questions relating to the above referenced proposal; the response to the following question:

1. Will the transports for this bid be mainly inter-state or intra-state extraditions?

Mainly inter-state but need bid for intra-state as well.

2. What is the estimated number of transports for this contract?

The number of transports from a contractor is "as needed" and is difficult to determine. It does not serve the Department by locking into a number of transports in any specific time frame and should NOT be part of the bid.
