Date: September 2, 2011

Subject: Bid #11-033, Replacement of Carpet Tile on the 3rd and 9th Floors of the County Courthouse

The Purchasing Department received questions; the following are the responses to the questions:

1. Will General Contractor or Subcontractors be required to participate in an Apprenticeship Training Program?

No.

It is our understanding that 'some' projects over \$50,000 are required to comply with this requisite and wondering if this is one of them

2. To install carpet tile on the treads of each stair it will require a special metal nosing. Will this be acceptable? To cover the stair risers the carpet tile can be cut and installed to fit.

Yes, as long as it is secure and attractive in appearance.

3. Will this contract require prevailing wage rates?

No.
