Subject: Bid # 11-035, Design of Roadways in Canutillo Townsite and Westway

The Purchasing Department received questions relating to the above referenced Bid; the following is the response to the questions:

- 1. The title of the project is design of roadways, but there are already plans and specifications, and you are asking for bids with a non-refundable fee.**
Answer: This is construction project.
- 2. Is this a design project or a construction project? I see that RFQ 09-063 was originally issued for design of this project, but no award is shown on your website for the design project.**
Answer: This is a construction project. On May 17, 2010 in Commissioners Court a contract was approved to be signed with CEA Engineering Group regarding engineering services for the reconstruction of roadways located in Canutillo and Westway (RFQ -09-063)
