The Purchasing Department received questions relating to the above referenced Bid; the following is the response to the questions:

1. Since the specs are still pending on this bid, can you tell me if the patches can be bid on separate from the uniforms?

Answer: This bid is only for uniformed patches and batches the uniforms are not on this bid they will be in a different bid at a later date.

2. Assuming the bid amount for 11-056 is less than \$50,000, we would like to enter a bid on this item wherein we would bid VH Blackinton badges. Are there any special requirements that we must meet to provide you with an acceptable bid?

Answer: This is a formal bid due to the fact that the badges and the patches aggregates vary yearly. Interested vendors must comply with the formal bidding process as indicated in the bid packet. The County of El Paso is not brand name loyal. However, the product must comply and meet or exceed the required specifications provided in the bid.
