**From:** Jose Lopez, Jr., Assistant Purchasing Agent  
**Date:** February 6, 2012  
**Subject:** County Purchasing New Vendor/Bid System & Online Vendor Registration

---

-

The Purchasing Department will be implementing its new bid processing vendor notification/registration system on April 1, 2012. The new system will allow vendors to register and maintain their vendor file real time without the intervention of the Purchasing Department. Vendors will maintain their address information and contact information; as well as the commodity information that the vendor wants to be considered for on County bid solicitations. Vendors will be given a choice of receiving hard copy bid notifications, or electronic notifications to the vendors designated email and/or cellular telephone text number. We hope that the changes will help our vendors receive their solicitations in a more effective and efficient manner that will benefit both the County and the vendor with more timely, accurate, competitive bids.

All vendors wishing to receive or continue to receive bid notifications must register by April 1, 2012. The Purchasing Department will be migrating to the new vendor system on April 1, 2012 and all vendors that have not registered in the new system will not receive bid notifications. Thank you for your cooperation. If you have any questions please contact me at (915)546-2068, or Sally Borrego at (915)546-2048.
