Page 62- SCOPE OF WORK:

SITWORK

Demolition

*Remove any existing concrete slab, trees, vegetation, structure, mobile home and/or debris and dispose of all debris properly and leave **construction work** site clean. Contractor is not obligated to remove and/or dispose of auxiliary items such as junked vehicles, storage facilities, and farm animals situated outside the construction footprint. Contractor must remove these items **only** if they impede the construction process. If the structure is a mobile home, contractor will retain salvage rights to the mobile home but must remove existing mobile home from the property, dismantle it for scrap and properly dispose of all unsalvageable scrap. Contractor will not be allowed to sell or lease such mobile home. Contractor is required to present proof of dismantling and proper disposal of mobile home.*
