### ADDENDUM 1

To: All Interested Proposers  
From: Lucy Balderama, Inventory Bid Technician  
Date: October 11, 2013  
Subject: BID# 13-059, Prisoner Extradition and Transportation Services for the County of El Paso

---

This addendum has been issued to notify the vendors of the following questions:

1. Can we please get a copy of last contract for this proposal?

**Response:** The Contract is not available. Estimated annual cost of approximately \$80,000.00.

2. How often are these transports? Weekly, Monthly?

**Response:** The transports come up as needed. We usually have several a month. We usually use them for transports outside of Texas, unless our deputies are swamped with trips, then we will use them inside of Texas.

3. Do these transports require medical assessment?

**Response:** The holding agency usually asks us to get the medical assessment before pick up, and the transport company does know that

4. Why are you requesting a different bid for each scenario? (male, female...)

**Response:** The different bids are because the transport companies may charge females and males at a different rate.
