**Subject:** County Purchasing New Vendor/Bid System & Online Vendor Registration

---

The Purchasing Department has implemented its new bid processing vendor notification/registration system. The new system will allow vendors to register and maintain their vendor file real time without the intervention of the Purchasing Department. Vendors will maintain their address information and contact information; as well as the commodity information that the vendor wants to be considered for on County bid solicitations. Vendors will be given a choice of receiving hard copy bid notifications, or electronic notifications to the vendors designated email and/or cellular telephone text number. We hope that the changes will help our vendors receive their solicitations in a more effective and efficient manner that will benefit both the County and the vendor with more timely, accurate, competitive bids.

All vendors wishing to receive or continue to receive bid notifications must register in this new system at [www.epcounty.com](http://www.epcounty.com). /Bids & More/Vendors List. Thank you for your cooperation. If you have any questions please contact Sally Borrego at (915)546-2048.

**Bid #14-034**

**Opening Date  
Tuesday, July 29, 2014**

The purpose of this solicitation is to obtain bids from authorized resellers to provide computers, laptops, printers and scanners for the County's 2014 IT equipment refreshment program.

All equipment proposed in this bid shall be new, unused, not have been sold to third parties or any other situation that will void the warranty. Proposed equipment shall not have a restricted warranty over the standard manufacturer warranty, nor shall the equipment inhibit the County's claim of being the original owner of the equipment, etc.

#### Submittal of Bid Prices

Bid prices should be submitted on the enclosed Bid Price Sheet only. Unauthorized additions, serious omissions, bids that do not contain a unit price where required or irregularities of any kind which make the bid incomplete, indefinite, or otherwise ambiguous are not acceptable and may result in your bid being deemed non-responsive

#### Analysis of Bid Prices

The County may perform a price analysis to determine the reasonableness of the price(s) at which the supplies and/or services are offered. Prices that are significantly lower than the mean of all offers and that appear to be unreasonably low may be determined to be evidence of non-responsibility, and cause the offer to be rejected.

All offers are subject to the terms and conditions of this solicitation. Material exceptions to the terms and conditions, or failure to meet the County's minimum specifications, shall render the bid non-responsive to the solicitation.

#### Award of Bid

The County reserves the right to award to more than one bidder. The County reserves the right to make an award to the lowest bidder by item, by group of items, or make one award for all items, whichever is most advantageous to the County. Further, the County reserves the right to alter, delete, or cancel this bid in whole or in part at the discretion of the County.

#### Delivery of Equipment

All equipment shall include any shipping, delivery, freight charges. The County will not accept any additional charges, except those offered by the bidder at the time of bid. Vendor shall retain title and control of all goods until they are delivered FOB to County of El Paso. All risk of transportation and related charges shall be the responsibility of the vendor.

The packing slip shall contain the County purchase order number, the item stock number, quantity ordered, quantity shipped, and description.

All goods and services delivered shall comply with the specifications set forth in this bid. County shall inspect the equipment for specification compliance prior to paying the vendor. The County reserves the right to request samples from bidder(s) prior to award.

Delivery shall be made within 30 calendar days subsequent to the receipt by the vendor of an El Paso County purchase order, as evidenced by the date of receipt shown on the US Postal Service, e-mail, or facsimile. If bidder does not specify an earlier delivery, the County's required delivery shall prevail. A delivery date later than the County's required delivery may be cause for rejection of the bid.

#### Damaged Material

In the event of damage which shall be concealed upon delivery, the County shall notify the vendor within twenty (20) days after installation by the end user for replacement. The vendor shall replace, free of charge, all defective items delivered under this bid. All transportation charges covering return and replacement of these items shall be borne by the vendor.

Defective / Returned Items – The County will notify the vendor when any item needs to be returned and replaced because it is incorrect or defective:

1. Defective item shall be returned as soon as possible and replaced, or returned for full credit, if correct item is not available.
2. Incorrect item shall be returned as soon as possible and replaced, or returned for full credit, if correct item is not available.
3. Contractor shall be responsible for freight to return defective or incorrect items.
4. The County will only accept responsibility for re-stocking fees that are the result of an ordering error made by the County.

#### Manufacturer or Authorized Reseller

Prospective vendors must be Authorized Partners or Authorized Resellers of the products described in this bid. Authorized partners or resellers shall provide "New, Dell, Hewlett Packard, Dell, Elo and/or \_\_\_\_\_ Manufactured and Authorized products" as opposed to "used" or gray market products. Any discount for prompt payment will be calculated from the day goods or services are accepted or when a properly prepared invoice is received.

#### Reference to Brand Names

Any manufacturer names, trade names, brand names, or catalog numbers used in these specifications are for the purpose of describing and establishing minimum requirements or level of quality and design required, and are in no way intended to prohibit the bidding of other manufacturers' item of equal material and quality.

#### Warranty

The COMPLETE unit, without limitation, will be guaranteed against defects in material and workmanship for a term not less than twelve (12) months, or the Manufacturer's standard warranty, whichever is longer. All Texas statutes and case law with regard to implied warranty shall apply.

The County believes the numbers used as item quantities are a reasonably accurate estimate; however, the actual quantity may be more or less than the estimate, and shall not be the basis for any change in the contract per unit price. Additionally, estimates are minimums, but not guaranteed minimums, and the contract cost can increase so long as the unit costs remain the same and increased funds are appropriated in the budget.

(LOCAL BUSINESS PREFERENCE POLICY)**

**I. AUTHORIZATION**

Section 271.905 of the Texas Local Government Code authorizes the County of El Paso to give consideration to the location of a bidder's principal place of business in awarding the bid ("Local Business Preference"). In order to do so, the County Commissioners Court must determine, in writing, that the local bidder offers the County the best combination of contract price and additional economic development opportunities for the County created by the contract award, including the employment of residents of the County and increased tax revenues to the County.

**II. GENERAL PURPOSE AND INTENT**

**A.** The purpose and intent of these Guidelines and Criteria is to set forth the parameters under which the County of El Paso may consider the location of a bidder's principal place of business in awarding the bid.

**B.** All applications for consideration will be considered on a case-by-case basis, and the decision to approve or deny consideration shall be at the discretion of the El Paso County Commissioners Court.

**C.** The County of El Paso reserves the right to reject all bids; award a contract to the lowest bidder; or to award the bidder whose principal place of business is in the local government if the governing body of the local government determines, in writing, that the local bidder offers the local government the best combination of contract price and additional economic development opportunities for the local government created by the contract award, including the employment of residents of the local government and increased tax revenues to the local government.

**III. FACTORS THAT THE COUNTY MAY CONSIDER IN AWARDING A CONTRACT UNDER THE LOCAL PREFERENCE POLICY**

**G.** The bidder must not be indebted to the County. "Debt" includes delinquent taxes, fines, fees, and delinquencies arising from written agreements with the County. (This provision will take effect immediately upon the action by Commissioners Court required under Texas Local Government Code section 262.0276).

**H.** In determining who is a responsible bidder, the commissioners court may take into consideration the safety record of the bidder, of the firm, corporation, partnership or institution represented by the bidder. (This provision will take effect immediately upon the action by Commissioners Court required under Texas Local Government Code section 262.0275).

**I.** All bidders, including owners, principals or officers if the bidder is a corporation or other legal entity, seeking Local Business Preference will be required to submit an affidavit of any and all political contributions to members of Commissioners Court for the previous 12 months.

**J.** A business in which a member of Commissioners Court has a substantial business interest as defined under Texas Local Government Code Chapter 171 is not eligible for consideration under the Local Business Preference Policy.

#### **IV. APPLICATION**

**A. The application must include objective, verifiable information from the bidder as to how the local bidder offers the County the best combination of contract price and additional economic development opportunities for the County created by the contract award, including the employment of County residents and increased tax revenues to the County. The application form may require such financial and other information, as the County deems appropriate for evaluating the financial capacity and other relevant factors of the applicant.
