ADDENDUM 1

To: All Interested Proposers
From: Lucy Balderama, Inventory Bid Technician
Date: August 22, 2014
Subject: BID# 14-043, LED Light Fixtures for the County of El Paso

This addendum has been issued to notify the vendors of the following questions:

1. Who do we send our proposed substitution request for the LED Fixtures for El Paso County Bid #14-043?

Response: Vendors are strongly encouraged to submit substitutions for all products; they do not need prior approval. Products will be evaluated based on meeting the technical equivalent (LxW, Lumens, Color Temperature, etc).

2. Is the County looking for a contractor to supply and install these fixtures, or simply for a vendor to supply fixtures that the County could self-install or install under a separate RFP?

Response: This bid is for fixtures only, not installation.
