**ADDENDUM 1**

To: All Interested Bidders

From: Lucy Balderama, Inventory Bid Technician

Date: October 16, 2014

Subject: BID # 14-053, Purchase of 8-12 Police Interceptor Utility (SUV) AWD Patrol Vehicles

---

**This addendum has been issued to notify the vendors of the following questions:**

1. Are you accepting bids with Dodge products as well? The Hemi/V-8 will match the HP of the eco-boost v-6/ in fact it is a little stronger. If not acceptable we have a V-6/ 3.6L. It hits 305 HP.

**Response:** In order to keep interchangeable repair parts, alike rims, tires and oil viscosity down to a minimal level, the Sheriffs' Department prefers to keep the bid as submitted. The Ford Police Interceptor Utility Vehicle is already a part of the departments fleet and repair parts service inventory. The department is NOT accepting bids with Dodge products.
