Thursday, April 23, 2015**

INTRODUCTION

This request for bid sets forth the specifications and requirements for the purchase of copy paper, cotton paper, carbonless (NCR) paper, and envelopes for use by all departments within El Paso County jurisdiction.

SPECIAL TERMS AND CONDITIONS OF THE CONTRACT

1. Contract Terms: Successful vendor(s) will be awarded a one (1) year contract, effective from date of award or notice to proceed as determined by El Paso County Purchasing. **Prices must remain firm for the entire contract.**
2. Secondary/Alternate Award: Secondary or alternate vendors serve in a back up capacity only. In the event the primary is unable to honor the terms and conditions of the contract, the secondary vendor may be called. If the secondary vendor is also unable to honor the terms and conditions of the contract, the alternate may be called. The primary vendor is the first contact. Use of the secondary or alternate must be approved, in writing, by the El Paso County Purchasing Agent or her designee.
 - a. In the event the secondary or alternate vendors are called upon, they will offer the goods and services at their bid prices, or better. Any attempt to increase the original bid price may be cause to remove the vendor from the contract. This in no way negatively affects the status of the primary vendor.
 - b. Would you, the Bidder, be willing to accept a secondary/alternate award based on the above?
 Yes No
3. El Paso County is concerned about the environment and therefore recycled paper products may be proposed in response to this bid if they comply with material specifications and are comparable or lower in cost to new products. El Paso County determination as to whether a product meets their requirements will be final; providing a bid on recycled products is optional.
4. If the bidder proposes recycled paper in response to this bid, the paper shall function properly in all County copiers, fax machines, laser printers, and ink jet printers without jamming. The County reserves the right to request samples and run tests of the recycled paper on County equipment to determine if the paper jams or causes other malfunctions. If repeated jamming occurs the paper in question will be rejected and awarded to the next lowest bidder.
5. All Shipping/Delivery/Installation charges must be included in the Unit Cost(s).
6. Items will be ordered in various quantities on an "As-Needed" basis with no minimum orders.
7. Award(s) of bid will be made on the lowest responsible price "PER ITEM".
8. All deliveries must be made per the requirements on each Purchase Order. Failure to comply may result in non-acceptance of delivery and the need for the shipper to reschedule the delivery at no additional cost to El Paso County.
9. Item with "or comparable" on brand is defined as the same quality, size and color of the preferred brand.

10. If any paper product is determined that it does not meet industry standards, it will be replaced by the vendor at no cost to El Paso County. Upon given written notice, the vendor will pick up the product in five (5) business days or it will be destroyed.
11. Any catalog, brand name or manufacturer's reference used in this bid is considered to be descriptive—not restrictive—and indicates the quality standards the County desires to purchase. Bids on similar items of like quality will be considered if the bid is noted and fully descriptive information is enclosed. **If notation of substitution is not made, it is assumed vendor is bidding on the item specified.** Successful vendor will not be allowed to make unauthorized substitutions after award.
12. Bid Price Sheet: All respondents must provide the information requested in the spaces provided on the Bid Price Sheet. For items not bid on, enter "No Bid" in the space provided.

Bids will be evaluated based on the following:

- a. Unit Price
- b. Delivery – Indicate the estimated number of business days for delivery per item
- c. Performance of the products on County equipment

FAILURE OF THE BIDDER

Failure of the bidder to comply with any of the specifications contained in this bid document after contract award will justify action by El Paso County to terminate contract for any or all awarded items on this bid with that particular bidder. Successful vendors who do not comply will be offered an opportunity to resolve noted deficiencies. Failure to resolve deficiencies in a timely manner may justify cancellation of contract and subsequent award to the next low bidder who complies with the bid specifications.

PAPER SPECIFICATIONS

Due to the nature of processing performed by El Paso County and its constant endeavor to provide the highest level of services, it is imperative that all products being proposed offer the highest level of quality and reliability. The materials procured from the award of this contract should contribute to this objective.

1. PRODUCTS

The Bid Price Sheet describes the virgin and optional recycled products covered under this bid.

All stock standard paper 8-1/2" x 11", 8-1/2" x 14" or 11" X 17" must be packaged in reams as per industry standard and boxed with legible labels on content per case.

All standard envelopes #9 or #10 must be packaged in boxes of 500 envelopes per box.

All other items should be packaged per box or per case.

If a partial case is ordered, all items shall be packaged or wrapped, no loose items in box/case.

2. RECYCLED PRODUCTS

El Paso County wishes to support the use of recycled products and to do its share in being “environmentally” friendly whenever the opportunity to do so remains feasible. El Paso County wishes to purchase environmentally preferred products, which have a lesser or reduced effect on human health and the environment when compared to other products that serve the same purpose. The recycled products bid in response to this RFB must significantly match the quality, appearance, and anticipated shelf life of virgin materials.

El Paso County reserves the right to determine the acceptance or rejection of any recycled products which are bid based on evaluation of samples received.

El Paso County will accept bids for a recycled product that meets all the minimum requirements specified below and processed chlorine free (PCF), 100% post consumer content.

- Letter Size: 8-1/2” x 11”
- Legal Size: 8-1/2” x 14”
- Case Size (Letter and Legal): 5,000 sheets
- Substance Weight: 20 lb.
- Brightness: 84 or greater
- Post-Consumer Recycled Fiber: 100%

Processed chlorine free refers to paper in which the recycled content is unbleached without chlorine and chlorine derivatives. Any virgin material portion of the paper must be totally chlorine free (virgin paper that is unbleached or processed with a sequence that includes no chlorine or chlorine derivatives).

3. DEFINITIONS

“Environmentally Preferable Products” means products that have a lesser impact on human health and the environment when compared with competing products. This comparison may consider raw materials acquisition, production, manufacturing, packaging, distribution, reuse, operation, maintenance, and/or disposal of the product.

“Recycled Products” are products manufactured with waste material that has been recovered or diverted from solid waste. Recycled material may be derived from post-consumer waste (material that has served its intended use and been discarded by a final consumer), industrial scrap, manufacturing waste, or other waste that would otherwise have been disposed of.

“Post-Consumer Waste” means a finished material which would normally be disposed of as a solid waste having completed its life cycled as a consumer item.

4. WARRANTY REQUIREMENTS

All product bids should be warranted or guaranteed for a minimum of twelve (12) months following El Paso County’s receipt of purchased items. This warranty or guarantee is to be honored by the bidder, who must immediately respond to El Paso County for any noted deficiencies with any bid item for which he has been awarded. Any interaction for the

purpose of problem resolution between the bidder and the deficient product's manufacturer will be the responsibility of the bidder to resolve, and not that of El Paso County.

5. SAMPLE REQUIREMENTS

Bidders shall be responsible for providing a product sample to El Paso County for testing and evaluation when requested by El Paso County. Requested samples must be at "No Charge" and be delivered at the bidder's expense within five (5) working days of the County's request, unless otherwise agreed to, in writing by El Paso County. If requested, a sample quantity of 2" to 3" per item may be required. Samples for all alternate brands bid should be included with the bid submission. Failure to provide samples will be justification for bid rejection. El Paso County reserves the right to determine equals. Samples must be same product as that bid.

All samples are to be legibly labeled with bidder's company name, bid number, and bid item number. In addition, any product samples, which are submitted, that are manufactured using recycled materials must be visibly labeled as such.

6. PAPER DUST AND CHADS

Prior experience with various vendors has indicated the need to include a means to evaluate the cleanliness of paper procured. Typically, it is expected that at least ten (10) cases of forms should be able to pass through a printer before the need for cleaning the printer becomes visibly apparent.

Paper dust and chads needs to be kept to a minimum in every shipment. To offer any less is indicative of a poor-manufacturing process. Printer cleaning is also an unnecessary and time-consuming function to perform, and contributes to increased printer maintenance and reduced printer life and print efficiency. Bidders must ensure that all paper purchased by and delivered to El Paso County are reasonable free of accumulated paper dust and chads.

El Paso County will consider a minimum of five (5) cases passing through a printer before cleaning becomes obvious as being an acceptable standard.

7. SHIPMENT REQUIREMENTS

Shipments are to be complete. Incomplete cases requiring multiple deliveries are not acceptable. All cases should be delivered full; no partial cases unless ordered as such. All items ordered by the skid should be delivered as full skids. No partial shipments without prior agreement by El Paso County.

Shipments must be received by the County within fourteen calendar (14) days following receipt of El Paso County Purchase Order, unless otherwise authorized in writing by El Paso County.

Prices shall include all charges for freight, F.O.B. inside delivery. Shipments will be made to multiple addresses; and will be indicated on each Purchase order received from El Paso County.

Shipments will be accepted during normal work days (excluding County holidays) between the hours of 8:00 am to 4:00 pm.

Bidder must comply with additional instructions for delivery to other County locations that will be provided at time of ordering. Failure to comply may justify refusal of delivery and

necessitate a rescheduling for delivery at another time. Any cost incurred as a result of rescheduling due to the bidder's failure to comply with delivery instructions will be borne by the bidder.

All shipments must be palletized, using strong, reinforced pallets. Vendor should ensure that no pallets that are too weak or are insufficient to support a full load of paper boxes are used.

A packing list shall accompany each shipment and shall show:

- El Paso County Purchase Order Number
- Name and address of Vendor
- Name and address of receiving department
- Description of material shipped, including item numbers, quantity, etc.

BID PRICE SHEET

Quantities indicated on the Bid Price Sheets are annual estimates based upon the best available information. Orders will be placed throughout the year on an "as-needed" basis. The County reserves the right to increase or decrease the quantities to meet its actual needs without any adjustments in the bid price.
