To: All Interested Proposers

From: Blanca Carbajal, Inventory Bid Technician

Date: June 27, 2016

Subject: RFP #16-037 Voting Equipment Software and Services  
for the County of El Paso

---

**Questions and answers:**

1. Will the County consider entertaining vendor responses that are in the process of being certified by the Elections Assistance Commission and subsequently submitted to the State of Texas?

**RESPONSE: Yes**

2. Can the County please clarify the deadline by which the proposed voting equipment must be certified by the State of Texas?

**RESPONSE: The vendor must be certified by the State of Texas 6 months after the bid is awarded.**

3. Does the County seek turnkey services in which the vendor maintains voting equipment warehouse, provides equipment delivery and supplies local equipment maintenance?

**RESPONSE: The County does require the initial delivery of the voting machines to the Elections Department Warehouse. However, the staff will deliver the voting machines to and from the polling locations for each election.**

4. Does the County want to manage equipment storage and delivery and perform most maintenance tasks independently?

**RESPONSE: The Elections Department plans to store, maintain and deliver the voting machines. If there are any updates to the equipment such as regular maintenance, the vendor will take responsibility for those tasks.**
