---

**The following questions were sent to the Purchasing Department:**

1. Can the County provide a vehicle specification list for the vehicles that will be included in this bid?

**RESPONSE: This is an "as needed bid" See attached list of sedans, SUV, Vans, Pick-Up Trucks and heavy vehicles to include buses that could potentially be brought in for maintenance and repair services under this contract.**

**All County vehicles can utilize this contract, however only about 180 vehicles (vehicles not repaired in house at the Sheriff's motor pool or the Fabens motor pool) typically are outsourced to a contracted vendor.**
