ADDENDUM 1

To: All Interested Vendors

From: Araceli Hernandez; Formal Bid Buyer

Date: April 5, 2023

Subject: RFQ 23-015 Congregate and Home Delivered Meals for the City-County Nutrition Program

This addendum has been issued to notify vendors of the following question received:

1. The way the RFP is written it appears that the bidder needs to quote all meals – congregate and home delivered. Is it possible to bid only home delivered meals and not the congregate meals? If yes, can you advise how many meals would be home delivered per day?

Response: No, it is not possible, the County of El Paso is seeking a vendor to provide both home delivered and congregate meals.
